

INSTRUCTIONS FOR OBTAINING A SPECIAL COMMITTED TO EDUCATION LICENSE PLATE

RESTRICTIONS – Issuance of Committed to Education license plates is restricted to passenger cars, all ½ ton and ¾ ton trucks, and 1 ton trucks use for private transportation only. One (1) ton trucks used for commercial purposes must be registered with a commercial license.

In addition to normal annual registration fees, there are additional fees in the amounts of twenty-five dollars (\$25.00) for the Committed to Education Fund and ten dollars (\$10.00) for handling and administrative costs. **These fees are due annually.**

OBTAINING A COMMITTED TO EDUCATION PLATE FOR A VEHICLE ALREADY TITLED AND REGISTERED TO THE APPLICANT

REQUIREMENTS – Two options are available when obtaining a Committed to Education plate when the vehicle is already titled and registered in the applicant's name.

Option 1 – If the applicant's existing plate is current, it may be replaced with a Committed to Education plate. With this option, the Committed to Education plate will keep the same expiration date as the plate being replaced. Applicants will get the entire benefit of the full registration fee paid for the plate being replaced. However, since the expiration date will remain the same, they will not get a full year's benefit of the \$25.00 or \$10.00 additional fees. When renewing, the applicant will be required to pay both additional fees again.

Fees for obtaining the plate using option 1 are as follows:

Special fee for Committed to Education Plate is.....	\$25.00
Fee for replacement of the regular tag.....	1.00
Special fee for administrative costs.....	10.00
Postage fee (if the transaction is done by mail).....	1.25 or if in person .25 cents
Total Fees (if the transaction is done by mail).....	37.25 or if in person 36.25

Other requirements are:

- Completed request for Committed to Education License Plate

Option 2 – The applicant may request to pay the normal full year registration fee for the vehicle and begin the Committed to Education plate with a full year's registration. With this option, the applicant will get full benefit of the \$25.00 and \$10.00 additional fees. However, no credit will be given for the time remaining on the plate being replaced.

Fees for obtaining the plate using option 2 are as follows:

The full year registration fee normally due for the vehicle will be due. For passenger cars, this fee will either be \$17.00, \$25.00, or \$30.00 depending on the vehicle's unladen weight. For qualifying trucks (see restrictions) the full year fee is \$21.00.

Special fee for Committed to Education plate is \$25.00.
Validation decal fee is \$2.50.
Special fee for administrative costs is \$10.00.
Postage fee if the transaction is done by mail is \$1.25.
Postage fee if the transaction is done in person in the Special License Unit is .25 cents.

Total fees depend on the normal registration fee for the vehicle and postage fees.

Other requirements are:

- Completed Request for special Committed to Education License Plate.
- Proof of current liability insurance.
- If the applicant's existing license plate is expired, or will expire in the **current calendar year**, the following personal property tax information is required
 - Proof of personal property assessment for the current year
 - Proof of personal property tax payment of taxes due by October 10 of the previous year.

If the applicant's existing license plate will expire the **next calendar year**, proof of personal property assessment and tax payment are not required.

OBTAINING A COMMITTED TO EDUCATION PLATE FOR A NEWLY PURCHASED VEHICLE

If obtaining a Committed to Education plate is for a newly purchased vehicle, all normal documentation for title and registration is required. Applicants should contact their local Revenue Office for assistance.
